

RENOVATION

CARE MINISTRY

BUILDING DISCIPLES TO GO MAKE DISCIPLES

At Renovation Church we want every person who attends to feel loved and connected. We are a church family, and we want to care for one another and meet one another's needs as Jesus asked us to. We truly believe that one of the primary ways believers are called to draw others towards God is through our love for one another. If you are in need of care, whether it's prayer and emotional support, hospital visits after surgery and meals during recovery, or help with arrangements or grief support after the death of a loved one, we want to be there for you.

How to Reach Us

If you have a need or know of a need of which we should be aware, you can reach us by email, phone call, or text. Someone will be in touch asap, whether it's a Saturday or Christmas Day. In addition, you can always call or stop by to speak with a pastor during normal office hours.

It is our heart that no care need will go unmet and in order to do this we need your help. The best thing you can do is to let us know by leaving a message with the Care & Support Team. Please, let us know if you have a need or know of a need in our church community. We work hard to be sure that everyone who contacts us regarding care is heard.

We encourage you to go ahead and save Renovation Care as a contact on your phone, just in case you ever need to reach us.

Stay Connected

We believe that a church family is only as strong as its connections, and we want to stay in touch with you. There are three things that we ask of everyone:

- Create a login on our website for event registration, etc., and keep your contact info updated.
www.therenovation.church/login
- Text HERE to 864-881-7801 when you're attending a service. Doing so allows us to know who's been with us both in person and online and helps us to follow up with folks who've been out and let them know they're missed.
- Get Connected through a Connection Group or Discipleship Group. Doing life in a community of believers is a wonderful thing!

Prayer

We understand the importance and power of praying with one another through tough times and at moments of gratitude and praise. If you would like to pray with someone, please contact us. Our Prayer Team is made up of people who have a passion for prayer and pray diligently and specifically for the needs within and outside the church.

FOUR OPPORTUNITIES FOR PRAYER

- **Anytime by Phone:**

Call or text 864-881-0603. Someone will respond and pray with you right away. You will be asked if you want your prayer request shared with our Prayer Team as well.

Counseling

We have lay-counselors who are prepared to walk with you through marriage, premarital, and financial counseling. Crisis Care

Sometimes life throws curveballs. No matter what situation you find yourself in, we want to support and encourage you. Some of the most frequent ways we offer care are below. Please email, text, or call and let us know about your situation so we can be there with you.

PASTOR ON CALL

Our pastoral team is organized to ensure that a pastor is on call after hours for support during a crisis, such as a sudden hospitalization or a death. Please contact our Care/Support number and a pastor will call you back.

HOSPITAL/HOME VISITATION

Our Visitation Team extends our encouragement and prayers to those in our church family who are facing an unexpected hospitalization, surgery, extended illness, as well as those who are homebound or in a nursing home.

MEALS

The Meal Team shows love and support by providing meals for families as they welcome new babies, face hospitalization or illness, or grieve the loss of a loved one. While a few meals will be provided by our team, we can also arrange an online meal registry so your friends and family in and outside of the church have an organized way to help you, too. Meals can be arranged for an individual or family.

FUNERALS/MEMORIALS

Our Care Ministry is dedicated to providing support in times of bereavement by hosting funeral or memorial services. Grief-related support is also available in the days and weeks that follow.

Ways to Serve

If you're ready to find your place serving others, the Care and Support Team would love to have you on board. Our opportunities vary widely, so please be in touch even if you don't see something on this list that looks like the perfect fit.
